

DEAN & KEITHA THOMSON MISSION GRANT GUIDELINES AND APPLICATION

It is the mission of the Nebraska United Methodist Foundation ("Foundation") to be a catalyst that strengthens existing mission ministries and supports and develops innovative mission ministries meeting the needs of a diverse and rapidly changing society. This grant is specifically for individuals who are going on mission trips and who have an expressed financial need.

Mission Grant applicants should be aware that priority will be given to the following:

- A member of a United Methodist church or a member of a Methodist church who is in need of financial assistance for a mission trip.
- Mission trip work may be located locally, nationally or internationally with a focus on global health, including but not limited to medical needs, or disaster and recovery efforts.
- The mission trip work is deemed to be of a beneficial nature to the larger community and is an integral part of a long-range plan for growth and outreach.

Grants will be awarded on an annual basis. Grant applications must be received no later than **March** 31st to be considered for a grant to be awarded for a mission trip occurring during the course of the following year (12 months).

In the case of a mission trip for disaster and recovery efforts, and emergency funds are needed, the Foundation staff members, in consultation with the Stewardship Committee, have the right to award a grant in extenuating circumstances immediately. This emergency funding will not affect the integrity of the fund and can be supplemented with the NUMF "Gifts From The Heart – Mission Endowment Fund."

A grant is not guaranteed. Grants approved by the Foundation's Stewardship Committee are subject to the approval of the Board of Directors of the Foundation. The Foundation reserves the right to reject in whole or in part any grant application that it deems to be incomplete or not in accordance with the mission and policies set forth by the Foundation. The decision of the Board of Directors of the Foundation regarding all awards shall be final.

For additional information, please contact Sharon Schmidt, Director of Stewardship, at 402-323-8841 or email sschmidt@numf.org.
