

MINISTRY GRANT GUIDELINES & CRITERIA

Please read thoroughly and carefully.

It is the mission of the Nebraska United Methodist Foundation (“Foundation”) to be a catalyst that strengthens our Nebraska ministries and supports and develops innovative ministries meeting the needs of a diverse and rapidly changing society.

Grant applicants should be aware that priority will be given to the following:

- A ministry that is consistent with the Nebraska United Methodist Foundation’s mission to complement and reinforce the stewardship ministry of the churches, organizations, and programs within the State of Nebraska.
- A ministry deemed to be of an outreach nature to the larger community.
- A ministry that is in collaboration with other United Methodist entities.
- A ministry that has identified other sources of revenue.
- A ministry that is an integral part of a long-range plan for ministry in the community.

Grants will be awarded on an annual basis. **Applications and supporting materials must be postmarked by September 30th** to be considered for a grant to be awarded upon commencement of the program during the following calendar year. If an application is not submitted, even in a subsequent year, the request will not be considered. Due to a high number of applicants and limited funding, **we will only accept one application per church**.

Foundation grant awards are reviewed by the Nebraska United Methodist Foundation Stewardship Committee. Grants approved by the Foundation’s Stewardship Committee are subject to the approval of the Board of Directors of the Foundation at the October board meeting. The Foundation reserves the right to reject in whole or in part any grant application that it deems to be incomplete or not in accordance with the mission and policies set forth by the Foundation. The decision of the Board of Directors of the Foundation regarding all awards shall be final.

Grants may be renewable up to three years within a five-year period contingent upon the availability of funding sources and the quality and scope of the project. It is not guaranteed that grants will be awarded the full amount of the request. Grants will be conditional upon requirements being met and documented to the Foundation’s satisfaction. All grants awarded shall require no less than annual reporting to the Foundation as to the progress of the project, how the funds were used within the progress and the financial activity resulting from the grant in the event that the grant is awarded and will be applied for again the following year. **If a new application with the progress and financial activity report is not received, the ministry will not be considered for future grants.**
